PLEASE READ CAREFULLY

Enclosed are applications and supplemental forms necessary to apply for, a new and used motor vehicle dealer license. If you sell motor vehicles, you must be licensed.

Each applicant for a motor vehicle or moped license shall have established and maintained a place of business at the time such license is issued. An established place of business must have an exterior sign, facilities to display vehicles offered for sale, and be in conformance with all municipal requirements. No license approval will be granted when the applicant intends to use the premises of a currently licensed dealer or the premises of the proprietor of an allied business.

A licensed motor vehicle dealer can also deal in mopeds and leased vehicles with no additional license required. A licensed dealer is restricted to moped sales only.

When all investigations are concluded and the applicant approved, a certified check or money order will be requested, as well as a current certificate reflecting liability coverage in the minimum amounts of \$15,000/\$30,000 bodily injury and \$5,000 property damage for all owned or fleet vehicles. Such insurance certificate must contain a 30-day cancellation clause.

In addition to the above, the "dealer" must provide a surety bond in favor of the State of New Jersey in the amount of \$10,000. The bond must be executed by a surety company authorized to transact business in the State. The bond must be for a 12-month term and must be renewed at expiration for successive 12-month periods.

The fee for the license is \$100 plus an additional fee of \$158.50 for one set of registrations and five license plates, or \$51 for one set of motorcycle registrations and three license plates.

If you have any questions, please call (609) 292-4517. Thank you for your cooperation in this endeavour.

Sincerely
